

The Morris Training Institute

**Advanced training solutions from the UK's leading
Overhead Crane Manufacturer.**

Dear Customer,

The Morris Training Institute will be offering the ECITB / CCNSG SAFETY PASSPORT training courses from September 1st, 2009.

The CCNSG National Course is a two day course for basic site safety. The CCNSG National Course is valid for three years from the date of the course.

The CCNSG National Course covers the following objectives:

Safe Behaviour at Work
Safe Place of Work
Confined Space Entry
Excavations
Permit to Work Systems
Safe Use of Access Equipment & Working at Heights
Site Transport
Protecting the Environment
Safe Lifting and Manual Handling
Safe Systems of Work
Asbestos
Hazardous Substances
LOLER
PUWER
Electricity
Isolation
Hand-Arm Vibration
Noise

The CCNSG Renewal Course is designed as a one day refresher course for those who have already passed the CCNSG National Course. This has to be taken within three months of the Safety passport expiry date. If it is not taken within the specified time then the two day CCNSG National Course will have to be retaken.

A timetable of "open courses" is attached for your reference. These courses will be held at the Morris Training Institute in Loughborough and will include a buffet lunch and refreshments.

For tailored courses, either at the Training Institute or at your premises please contact us with your requirements and we will be pleased to help.
